

# Towards Resilient and Intelligent Multimodal Transport Networks

## ReMuNet & SARIL Final Event at TRA26

### Date

20 May 2026

### Time

13:30 - 17:00

### Location

Congress Center, ground floor, E1 room

### Agenda

### Topic

### Presenter

### Time

#### Welcome & Opening Remarks

- Opening remarks
- Context within TRA26 and European research landscape

Octavia Stepan  
- CINEA

13:00

### ReMuNet Project Presentation: Building resilience in multimodal transport through digital innovation

#### Project Overview

- consortium and key challenges

Maximilian Dicks - FIR

13:10

#### ReMuNet's Vision

- From optimized networks to resilient solutions

Maximilian Dicks - FIR

13:15

#### Supporting technologies

- Software solutions along the cycle
- Advanced and adaptive routing algorithms
- Modelling Risk Intelligence: A proof of concept

Florian Krietsch - PTV  
Dr. Sandra Stein - FHA  
Ketki Kulkarni - HAN

13:20

#### Key results and lessons learned

- Use Case Danish Red Cross & Ecological Use Case

Lasse Nykänen - Vedia

13:45

#### Future research directions and exploitation

- Input key exploitable results and potential future projects

Ketki Kulkarni - HAN

13:50

### SARIL Project Presentation: Strengthening resilience through collaboration, tools, and business innovation

#### Project overview

- Concept, vision
- Stakeholder engagement
- SARIL Scenarios

Kris Schroven - FH EMI

14:00

#### The SARIL Toolkit:

- Functionalities and applications

Concepcion Toribio  
Diaz - CEMOSA
